A collection of poetry exploring the craziness of modern life, including the award-winning poem, "Out of the Blue."

Editorial Reviews:

"These poems are like rare, black pearls, simple, beautiful, darkly iridescent, and a little sinister. The Reader wears them in her heart and mind like a badge made of rare jewels that entitles her to a tour through The Other Side of Crazy with poet Toohey as the tour guide." ~ Ellen Tsagaris, Sappho, I should have listened

"Toohey explores the frailty of relationships and modern life from her own unique perspective. ... Her poems beat with palpable emotion, fearless and honest, evoking a rich, multi-layered world." ~ Nancy Ann Schaefer, In Search of Lode

"Toohey exhibits her diverse and creative poetic voice in The Other Side of Crazy. Her poems elicit raw emotions and draw the reader to think about life from a different angle, from the other side of the proverbial box." ~ Trisha Georgiou, Quartered Enlightenment
